COMMUNICATION RE: MISSING PARTS

BOX MISSING PARTS

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir/Madam:

This Communication is in response to the "Notice to File Missing Parts of Non-Provisional Application" (see enclosed copy), for the above-referenced matter. THIS NOTICE WAS SENT IN ERROR.

On June 12, 2000, a Patent Application was filed with the U.S. Patent and Trademark Office for the above-referenced matter. The package included the following: Transmittal Sheet containing Certificate of Mailing under 37 C.F.R. 1.10, Utility Patent Application under 37 C.F.R. §1.53(b); Informal drawings; Signed Combined Declaration and Power of Attorney; Assignment of Invention to Lockheed Martin Corporation; Recordation Form Cover Sheet; return postcard and authorization to charge Deposit Account No. 12-2141 in the amount of \$40.00 to cover the filing of the Assignment Document and \$1,080.00 to cover the base filing fee and any additional claims, as evidenced by a copy of the Transmittal Sheet Containing Certificate of Mailing and return postcard that accompanied the above-referenced package at the time the application was filed. A copy of the return postcard as stamped by the U.S. Patent and Trademark Office is also enclosed.

Because the Notice to File Missing Parts of Non-Provisional Application was sent in error, a fee of \$130.00 to cover the Surcharge IS NOT required, and we are again authorizing the U.S. Patent Office to Charge Deposit Account No. 12-2141 in the amount of \$1,080.00 to cover the base filing fee and any additional claims.
